WHAT WE DO

Basements Extensions Loft Conversions Renovations New Builds Commercial House to Flat

SELECTED PROJECTS

Lowndes Square SW1X — Heritage-listed back to brick refurbishment. Full basement tanking, structural reinstatement and compliance with the Heritage Trust and Building Control.

Chelsea & Kensington SW3 — New underground basement with full structural underpinning. Loft extension. Complete back to brick and turnkey fit-out.

Mayfair W1K — Full back to brick apartment refurbishment. Every element removed, updated and reinstated to a contemporary finish.

Cookham Berkshire — Complete home renovation. Structural works throughout, full electrical and plumbing overhaul, bespoke interior design and turnkey fit-out.

Design-Led Approach

We work closely with architects and interior designers to ensure every decision — spatial, material and aesthetic, reflects your vision and the standard your home deserves.

Skilled In-House Teams

Our specialist trades are experts in their discipline. Carpentry, plastering, plumbing, electrics, tiling and decorating, every one coordinated under a single Fabrico contract.

Transparent Pricing

Every project begins with a detailed, itemised quotation. No hidden costs. No surprises. We agree the scope, we commit to it, and we deliver it.
